## **NOTICE OF CONTRACT AWARD**

### **Justification for Emergency Award:**

Ellisville State School has advertised full-time maintenance positions multiple times over the past several years and has been unable to recruit and retain enough staff to handle the workload. Building maintenance is a vital component of ensuring codes are met and surveys go smoothly.

### **Analysis why Professional Services were awarded:**

Ellisville State School has attempted procurement twice through an IFB process in 2025 and both times S & K Homebuilders was the lowest responsible responsive bidder.

### **Award goes to:**

S&K Homebuilders, Moselle, MS
