## **NOTICE OF CONTRACT AWARD**

### **Justification for Emergency Award:**

Ellisville State School and South Mississippi Regional Center is in need of a Licensed Psychologist to review and approve psychological evaluations of the 373 Persons Served. The psychologist will also train Psychology personnel for both locations and provide recommendations as to policies and procedures for Ellisville State School and South Mississippi Regional Center and the HRAC Committee. A lapse in these necessary services would result in undo hardships for both employees and Persons Served.

### **Analysis why Professional Services were awarded:**

Ellisville State School has attempted procurement twice through an IFB process in 2025 and both times Malkin Behavioral and Mental Health Consultation Services, PLLC, was the only responsible responsive bidder. Additionally, Dr Malkin currently provides psychological services for ESS and SMRC

### **Award goes to:**
